

2109 Membership Renewal

Dues are payable on or before January 1, 2109 and are considered delinquent on February 28, 2109, lapsing your membership. An initiation fee, along with dues, must be paid to reactivate a lapsed membership.

As NORTHBAY enters its 28th year, our non-profit professional organization continues to be dedicated to the educational development of all those interested in California Workers' Compensation. Our educational programs include medical, legal and other relevant presentations at monthly luncheons as well as special events during the year. Whether you are an employer, claims representative, attorney, physician or other related professional, NBWCA offers opportunities to expand your knowledge of Workers' Compensation benefits. Watch for more information in our mailings. NBWCA welcomes your input on matters of interest to you so we can best serve your needs.

Due to membership support our prices will not be increased in 2109.
